What are
you waiting
for?

!!
Lorenzini & Associates

Are you waiting for your "brothers" to fulfill the promise?

You really think they will?

Even if they do, it is only their will to live that drives them.

Can you really claim that they did it to save you?

...If that's what you think, then why did you bother using your poison arts on them?

I wonder myself...

Sawoop

Perhaps
it is because I
wanted to see those
despicable humans
wring...

...in despair...

Chapter 8
[1944] and [1945] 62

Oh dear--

You're telling
me that you've
killed?

Th...That's
right!

There was a
guardian who
possessed the
「Ice Orb Cloak」,
and he was
incredibly
powerful!

Even our
finest mercenaries
couldn't lay a hair
on his head!

Longmanga &
Hinatahina
do not own

They weren't
even worth his
time....

...?

What did you...

Ah, nothing at all.

Now, what will you all do about this?

What do you mean?

We've lost the majority of our elites!

We cannot make a move by ourselves!

How unfortunate...

...!!

I believe
I had paid in
advance...

...You could not
even fulfill the
contract...

and now you're
telling me that
you're backing out?

Th... That's not it...

We would like to fulfill our side of the contract as well...

...but we've no way to complete such a difficult task, as what I meant...

That's how it should be

I'd paid quite a large sum under your name

so I cannot have you telling me that you cannot fulfill the terms agreed upon

I pray for your success...

regardless of your means...

Blood
Assassin, are
you there?

Did you call
for me, Ma Gongja?

TLN: Gongja- Young nobleman.

It seems that
I was wrong to
trust those fools
after all.

I need you
to complete a task
for me.

Go and test his
Blood Arts...

Go and see
how strong his
arts have become!

Understood!

DO NOT REMOVE

I didn't expect him to use the 「Ice Orb Cloak」 like that...

You've lived longer than I had expected...

Second brother, what should we do...?

We've already used the money from the contract, and we don't have any luckeys to work for us... What should we do

That young
Congzi's money
aside.

we've only
got a month
to live.

What can we
do to satisfy that
Ghost Mask guy
anyway?

Ugh
Damn it!

Who
knows???

I don't know
what to do either,
so stop bothering
me!

I was just
worried about
you, so calm
down!

I will do something
to save my father...

Ilha-Ryung—

...so please take me
to my father, uncles.

Hwa-Ryung,
what do you
mean...

What do
you mean,
like you
there...

How will you bring
something so precious
that will make him
spare your father...?

I have
a plan.

You two just need
to lead me there.

...?!

Interesting...

I hadn't expected
you two to return so
quickly...

Well...

Now,
let's see...

Let's see
something so
precious that will
satisfy me...

It is here.

Are you...

...messing with
me right now...?

No.

This is
the truth.

The most
important thing to
the person you
hold captive

...is none other
than myself

How amusing...

You two should have known that I implied something material, like gold when I asked for your most prized possession...

Are you trying to twist my words like this?

We are not trying to twist your words; it is nothing but the truth.

*Longmenangge
Kinsaburakou
do not discuss*

Our clan has been unable to produce good results lately, so we are on the brink of economic collapse.

I believe that it has something to do with my uncle's rudeness towards you.

I do not know what you were seeking, but our clan no longer has any precious objects...

...besides
me...

Also...

...if I lose
my father...

...I won't be
able to go on
in this world...

so even if I am
not the object of
your desire, please
accept me as your
subject

and allow my
uncles and father to
live.

W... Wait,
what
happened?!

How did you
guys manage
to free me like
that?

What happened
to your bodies...
did you get the
antidote?

Don't worry
about us!

We've received
the antidote, but we
must get out of here
as soon as we can!

Hwa-Ryang
told us to keep what
happened a secret...

How...

How did
she sway
that man's
heart..?!

Don't forget
to check out
the new
book

For more info,

I just wanted
to have a laugh
while they begged
for their lives...

...yet what
is this sudden
turn of events...?

No... If I think about
it, they used his daughter as
a leverage to free themselves,
so they should feel pathetic. It is
the greatest shame that a man
could face...

...No, that's not
the point! Where is
the fun in humiliating
them so..

What should
I do with the lady
they've left
behind...

Excuse
me..

!

What...

What should I do around here?

What should you do around here...?

Ah... come to think of it.

my uncles called you "Ghost Mask"...

...but I do not believe that is your real name.

What should I call you?

Ghost Mask...

That in itself isn't such a bad title.

Names hold no meaning to me, so call me as you wish.

I see my lord-
Ghost Mask. Allow me to reintroduce myself.

This one's
name is
Hwa-Ryung.

Thank you for accepting
this one's request to save
my father

I'm
gonna go
insane...

Is this
lady for real
right now...?

!

Oh...
I see...

?

So were just
pretending to
sacrifice yourself
for your father...

*Smashed

...and escape
with your life?!

Wh...
Who...?!

You're
all the
same..

*Every
one of you
is despicable
all the same!*
